

October 2018 – Sullivan, Illinois OPERATOR QUALIFICATION

Dear Gas Pipeline Operator:

The APGA Security and Integrity Foundation (SIF) will be providing Operator Qualification (OQ) evaluation in Sullivan, Illinois. These workshops provide the required evaluation, written and hands-on, for employees and contractors. Identical material will be covered on each day.

This Operator Qualification Workshop will cover the following ASME B31Q covered tasks*:

Pipeline Repair – 0201, 0681, 0711, 0721, 0731, 0991, 1001, 1011, 1041, 1141

Workshops will be held at:
Sullivan Gas Department
2 West Harrison Street
Sullivan, Illinois 61951

October 16-18, 2018
8:30am – 6:00pm

Upcoming workshops in Sullivan, IL:
November 13-15 – Meters
December 11-13 – Pipeline Installation

*Detailed information on covered tasks available at www.apgasif.org

Please Note that workshop rates will be increasing on January 1, 2019

A registration form is attached or you can register online at www.apgasif.org.

The SIF OQ program was developed in coordination with and is supported by the National Association of Pipeline Safety Representatives (NAPSR).

Notification of Cancellation must be made in writing at least five (5) business days prior to the event for full refund. No refund will be given within five (5) business days of an event. No refund will be given after an event has taken place due to a "no-show". The SIF reserves the right to cancel any registration that has not been paid within five (5) days of a scheduled event. This workshop is not intended to qualify attendee's on every covered task available or necessary. Additional evaluation may be needed to fully meet the requirements of the attendee's Operator Qualification Plan.
